Inside Silicon Photonics — With Mario Paniccia

Silicon photonics' evolution from application shrouded in uncertainty to discipline harboring vast application potential has commanded the attention of those in and beyond the fields of optics and photonics. **Mario Paniccia**, CEO of ANELLO Photonics, recounts his own journey through the budding sector, with recollections from his 20-plus-year career at Intel and insights from his latest undertaking: ANELLO Photonics' silicon photonics optical gyroscope.
