

PHOTONICS buyers' guide®

Monday, April 13, 2015

The most trusted photonics resource Now bigger and better than ever!

If you buy photonics products, you need the **Photonics Buyers' Guide**.

Considered the most trusted and accurate reference of the photonics industry since its first printing in 1954, the Photonics Buyers' Guide offers engineers, designers and buyers quick, easy access to information about companies and products in all segments of the industry worldwide.

New for 2015! This edition includes **124 pages of technical articles from the *Photonics Handbook***, making it an even more robust reference tool for buyers.

"I think you folks provide an excellent source of information, the completeness of which astounds me. This is truly a most valuable source."
- a satisfied subscriber

Over 870 pages of vital photonics information!

- 4000 companies listed worldwide
- Complete corporate profiles and contact info
- **100% verified annually**
- Indexed alphabetically, geographically and by products and services offered

To order your copy, visit: www.photonics.com/bgsale or call +1 (800) 553-0051 and ask for Book Sales
